

SAPPH: I DO NOT GRAB THE GROUND, PILLOW THE STEM

 Mirwais - Jalalzai  30th September 2017  Afghanistan , Reports

Former Northern Alliance commander Abdur Rasool Sayaf denied his alleged allegations that he was grabbing land and seized millions of public wealth and land in Kabul and then sold it to any secret Does not belong

On Sayyaf, who is famous for the anti-Taliban, these allegations have been spent on weekend and decreased in social media.

It is said in social media that he has grabbed hundreds of acres of land in his family with relatives and relatives in Kabul, and then sold in black market.

In the allegations also it has come to this madrassa that has hit millions of dollars in Saif and his close pockets.

Abdul Rasool Sayaf, who is also the main mastermind of a number of scheduled hotel boats on the Kabul airport, is not only because he rejects the issue of land grabbing but also says there are a number of elements inside the government that The same stem columns and they are not only to destroy jihadists but also harm the government and the national unity.

He asked the central government to remove the fifth column.
